Learn English in Wales

We are a group of schools, colleges and universities in Wales that offer a full range of quality English language courses for students of all ages. We warmly welcome you to study in our country.

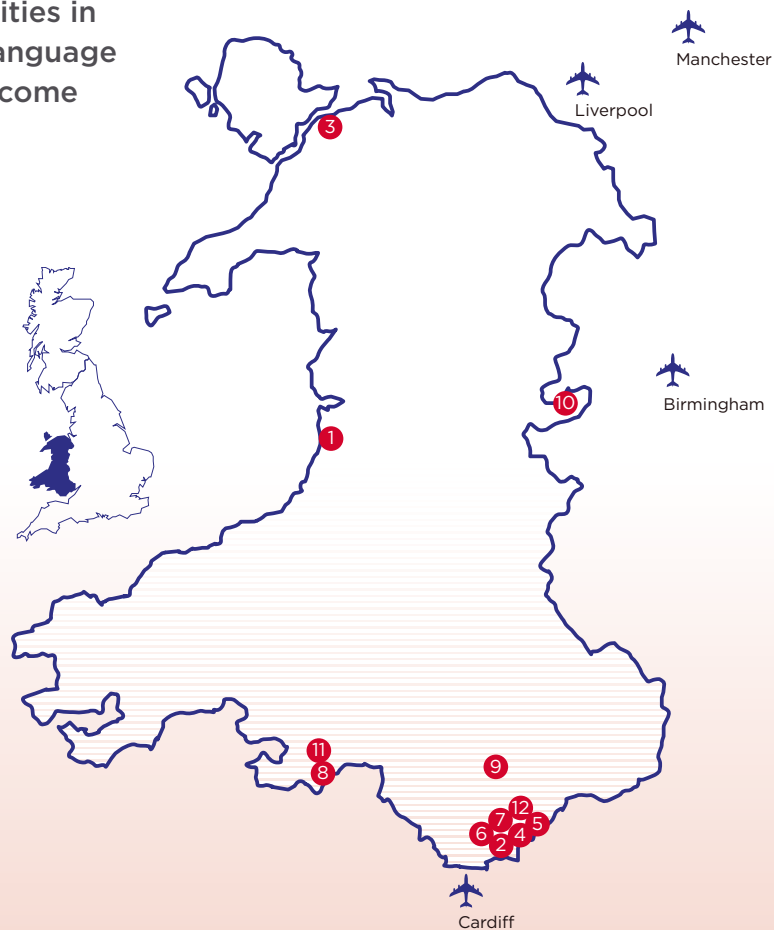

So what can Wales offer international students?

The answer is – a lot! We have lively, modern cities, peaceful towns and villages, magical castles and historic sites. Wales has a unique Celtic heritage and is renowned for its friendly, welcoming people.

There are beautiful natural attractions including national parks and a splendid coastline. If you're feeling adventurous, you can go walking, riding and cycling, as well as sailing and white water rafting. If you're a shopaholic, Cardiff, the capital, is home to hundreds of stores and boutiques, as well as one of the largest indoor shopping centres in Europe. For a night out, visit one of the many bars, restaurants and nightclubs we have to offer. Whatever your interest, there is plenty to do in your free time.

Access to this special country is easy. Cardiff is only two hours from London by train. There are excellent rail and coach links from London Heathrow and Gatwick, as well as Birmingham, Bristol and Manchester. It is also possible to fly via Amsterdam directly to Cardiff International Airport.

We look forward to seeing you in Wales soon!
